

ADDENDUM #1 – Materials and Research- Sampling and Testing Master
Contract 2016

Date: September 2, 2015

County: Statewide

Project Description: Provide services consisting of materials sampling, testing, and evaluation of test results – Statewide.

Dates Published in Clarion Ledger: August 19th and 26th, 2015

From: Scot Ehrgott, P.E. – MDOT Director of Consultant Services

Statement of modifications:

The purpose of this addendum is to make the following changes:

- 1. 1st paragraph, 4th sentence of the RFI reads as stated below:**

“The firm may perform project level distress surveys in accordance with the ‘Distress Identification Manual for The LTPP (**Fourth Revised Edition**).”

This sentence shall be revised to read as stated below:

“The firm may perform project level distress surveys in accordance with the ‘Distress Identification Manual for The LTPP (**latest version**).”

This Addendum is effective this date and shall be used in the selection of any firms interested in submitting proposals for this Project.
